The Corporate Governance Statement is accurate and up to date as at 28 February 2022 and has been approved by the board.

The annexure includes a key to where our corporate governance disclosures can be located.³

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

ALTERNATIVE TO RECOMMENDATION 1.1 FOR EXTERNALLY MANAGED LISTED ENTITIES

The Fund is an externally managed listed investment trust. Equity Trustees has outsourced the investment management functions of the Fund to Partners Group Private Markets (Australia) Pty Ltd (the Investment Manager). The Investment Manager and Equity Trustees have entered into an Investment Management Agreement outlining the services in which the Investment Manager is providing to the Fund and details the Responsible Entity's oversight of the Investment Manager.

Equity Trustees Roles and Responsibility

In operating the Fund, the Responsible Entity has a fiduciary duty to act in good faith and in the best interests of the Unitholders of the Fund. The Responsible Entity's duties and obligations arise from the Constitution of the Fund, the Fund's compliance plan, and duties under the Corporations Act 2001 (the Act).

The Responsible Entity Board Charter, available at <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>, sets out the responsibilities of the Board, which include:

- Setting the ethical tone and standards of Equity Trustees Limited at the highest levels and encouraging a culture that promotes responsible decision-making;
- Satisfying itself that appropriate internal audit arrangements are in place and operating effectively;
- Maintaining compliance with the ASX Listing Rules associated with listed investment trusts and its continuous disclosure obligations;
- Monitoring the effectiveness of the Responsible Entity's compliance, risk and governance frameworks;
- Ensuring the Responsible Entity has adequate systems and internal controls.

The Responsible Entity Board is supported by the Responsible Entity Compliance Committee and Audit Committees which meet regularly to oversee the Fund's compliance and the Responsible Entity's legislative, trustee and listing rules obligations.

The Committees' responsibilities are set out in their respective Charters, available at <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622> and include:

THE EQT, EQT RES AND EQUITY TRUSTEES WEALTH SERVICES LIMITED (ETWSL) BOARDS ARE ASSISTED IN THEIR DUTIES BY THE FOLLOWING COMMITTEES...

RESPONSIBLE ENTITY COMPLIANCE COMMITTEE

The Committee's duties include:

- Monitoring the managed investment scheme's compliance plans.

- Approving, where authorised by the Boards, the financial reports of funds, trusts and charities.

Committee member profiles are available at: <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>

RECOMMENDATION 2.3

Independence of directors

The Directors are not considered to be independent directors, as each director is employed in an executive capacity by the EQT Group.

Instead, independent oversight is built into the structure of the relationship between the Responsible Entity and the Manager. The Manager conducts the day to day investment and other services and the Responsible Entity provides the independent oversight.

The Responsible Entity Board believes the directors' independence of judgement is not compromised because of their executive capacity, as together they collectively have the appropriate balance of specialist skills, knowledge, and experience to enable it to discharge its duties and responsibilities effectively in relation to the Fund and independent oversight of the Manager.

Further, the Responsible Entity Board utilises the support of a Responsible Entity Compliance Committee comprised of a majority of external (independent) members to assist the Board to oversee the Fund's compliance and the Responsible Entity's legislative, trustee and listing obligations.

The Responsible Entity Compliance Committee's Charter is available at <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>. In summary, the Responsible Entity Compliance Committee's key remit is:

- To review and make recommendations to the Board in relation to the Responsible Entity's compliance with the Act and its license obligations;
- Assess the adequacy of the Fund's compliance plan and monitor compliance against it; and
- Confirm that the Fund has engaged at all times an auditor and that the auditor has been given access to the books of the Fund.

The relevant qualifications and experience of the members of the Responsible Entity Compliance Committee are available at <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>

RECOMMENDATION 3.1

Values

The EQT Group, including the Responsible Entity, considers that its values, culture and conduct are of the highest importance. These are described in detail in the EQT Group Corporate Governance Statement, available at <https://www.eqt.com.au/investor-centre>

RECOMMENDATION 3.2

Code of conduct

The Responsible Entity has adopted the EQT Group Code of Conduct and Ethics which sets out the standards of ethical behaviour expected from its Directors, officers, employees and contractors involved in the management and operation of the Fund. Material breaches of the Code are reported to the Board of the Responsible Entity. All such breaches are reported to the EQT Group Board or its committees.

The EQT Group Code of Conduct and Ethics and the Responsible Entity's Listed Investment Trusts Trading Policy are available at <https://www.partnersgroupaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>

RECOMMENDATION 3.3

Whistleblower Policy

The Responsible Entity has adopted the EQT Group Whistleblower Policy that fosters a working environment encouraging openness, integrity and accountability throughout the organisation. Material breaches of this policy and material incidents reported under the EQT Group Whistleblower Policy are reported to the EQT Group Board and/or Board Committees. All such breaches are reported to the EQT Group Board or its committees. The EQT Group Whistleblower Policy is available on the Fund's website.

RECOMMENDATION 3.4

Anti-Bribery and Corruption Policy

The Responsible Entity has adopted the EQT Group Anti-Bribery and Corruption Policy. Material breaches of the Anti-Bribery and Corruption Policy, relevant to the operations of the Fund, are reported to the Board of the Responsible Entity. All such breaches are reported to the EQT Group Board or its committees.

EQT Group Anti-Bribery and Corruption Policy is available on the Fund's website.

RECOMMENDATION 4.1

Audit Committee

The Responsible Entity has established an Audit Committee to oversee the integrity of the Fund's financial reporting, the appointment and independence of the Fund's auditor, internal financial controls, and financial procedures and policies. The Audit Committee comprises six members of which two are independent members.

The Chair of the Responsible Entity's Board is also the Chair of the Audit Committee. This differs from Recommendation 4.1, as independent oversight is built into the structure of the relationship between the Responsible Entity and the Manager. The Manager conducts the day to day services and the Responsible Entity provides the independent oversight.

The Responsible Entity's Audit Committee members collectively have the necessary financial and accounting qualifications and experience in funds management, trustee services business, and/or listed environment to be able to execute their duties such that their independence of judgement is not compromised. The Audit Committee's remit is wider than its oversight of the Fund.

The Audit Committee's Charter is available on the Fund's website. In summary, the Audit Committee's remit is:

- To consider matters raised by the Responsible Entity Compliance Committee and Disclosure Committee, including incidents and breaches, and particularly where the matter may or does have an impact on financial reporting processes, internal financial control systems, and the financial position of a fund;
- To escalate material issues and risks to the Board;

- To review and recommend to the Board the adoption of the draft annual and half yearly financial statements, and the draft Annual Report as it relates to the financial statements, of the Responsible Entity's listed investment trusts;
- To receive, test and seek confirmation that a robust system and financial controls are in place to safeguard the integrity of financial reports;
- To consider internal controls, including the Companies' policies and procedures to assess, monitor and manage financial risks and other business risks;
- To review changes to the Accounting Standards and their potential impact on the financial report;
- To receive and consider auditor reports and auditor independence reports;
- To review the performance and independence of the auditors and monitor the progress of audits; and
- To ensure the auditors meet with the Board.

The relevant qualifications and experience of the members of the Audit Committee are available at <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>.

RECOMMENDATION 4.2 - DECLARATION RE FINANCIAL RECORDS

The Responsible Entity has established processes to ensure the financial statements of the Fund are reviewed and approved by the Board each financial year. This includes a process to obtain from senior management of the Responsible Entity (pursuant to section 295A(1) of the Corporations Act 2001 (Cth)) a declaration that, in their opinion, the financial records of the Fund have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the Fund and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

RECOMMENDATION 4.3 – PERIODIC CORPORATE REPORTING

Any periodic corporate reports that are not audited, such as the Director's Report and this Corporate Governance Statement, are subject to extensive review prior to release to market.

The review includes, fact checking and interrogation by the Responsible Entity's management team as well as Responsible Entity Board or its Committees and other stakeholders where relevant.

RECOMMENDATION 5.1, 5.2 & 5.3

Continuous Disclosure

We are committed to ensuring:

- All investors have equal and timely access to material information; and
- That our announcements are accurate, balanced and objective.

The Responsible Entity has a Continuous Disclosure Policy (available on the Fund's website) which sets out our processes for complying with our continuous disclosure obligations under ASX Listing Rule 3.1. This sets out the roles and responsibilities and our processes to review and authorise market announcements.

The Responsible Entity may utilise its Disclosure Committee to assist it in meeting the ASX Listing Rules continuous disclosure obligations.

To ensure the Board has timely visibility of the nature and quality of information disclosed to the market (and its frequency) the Responsible Entity's Directors receive copies of the Fund's market announcements immediately after they are made.

The Continuous Disclosure Policy and Disclosure Committee Charter are available at <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>

and requires that the Fund releases new and substantive investor presentations to the market and prior to making the presentation to analysts and Unitholders.

RECOMMENDATION 6.1

Provision of information to, and communication with, investors

The Responsible Entity provides investors with comprehensive and timely access to information about itself, the Fund and the governance of the Fund on a dedicated corporate governance information section on the Fund's website.

The website also includes information such as that which is required to be lodged on the ASX Platform, policies, charters, and distribution information. The Fund's Annual Report and financial statements are available at <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>.

The Responsible Entity has adopted a Unitholder Communications Policy which sets out measures it utilises to ensure communication with Unitholders is effective, frequent, clear and accessible. A copy of the policy is available at <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>.

RECOMMENDATION 6.2

Investor Relations

The Responsible Entity facilitates two-way communication with Unitholders by ensuring that communications, announcements and updates issued by the Responsible Entity through the ASX, the media or on the Fund's website have a visible email address and phone number for inquiries. This is separate to the two-way communications available with the Funds' registry. The Unitholder Communications Policy is available on at <https://www.partnersgrouppaustralia.com.au/en/global-income-fund/global-income-fund-overview/#c11622>.

A tailored investor relations program has been developed for the Fund to facilitate effective communication with prospective investors, stakeholders, Unitholders, the Responsible Entity and the Manager.

RECOMMENDATION 6.3 & 6.4

The Fund is a managed investment scheme, It is not required to hold an annual general meeting. However, should an investor general meeting be required, the Responsible Entity has established processes to facilitate the general meeting. The requirements are as detailed in the Fund's compliance plan. Resolutions at meetings of investors are decided by a poll, rather than a show of hands, to ensure full transparency.

RECOMMENDATION 6.5

Option for electronic communication

Unitholders have the option to receive communications from, and send communications to, the Responsible Entity and the Fund's registry, electronically.

RECOMMENDATION 7.1, 7.2, 7.3 & 7.4

Management of Risk

The Responsible Entity does not have a separate risk committee. Instead, the Board undertakes the role of oversight of the Fund's risk management framework.

The processes the Board employs for overseeing the entity's risk management framework, as it relates to the Fund, include:

- Receiving and reviewing breach reports, incident reports, and complaints reports in relation to the Fund;

- Ensuring that the framework's three lines of defence are functioning effectively;
- Utilising the Responsible Entity Compliance Committee to provide additional oversight of risk; and
- Reviewing the minutes of, and any matters escalated by, the Disclosure Committee, Responsible Entity Compliance Committee or Audit Committee.

The Responsible Entity's Board has reviewed the Fund's risk management framework during the period to ensure it continues to be effective and has been designed to assist the Responsible Entity to identify, assess, monitor and manage risks.
