Unitholder Notice: Sell spread levied

Please take into consideration the recent introduction of a 4% sell spread effective from the November cut-off date (15 November 2022). The sell spread has been applied to the Partners Group Real Estate Fund (AUD) and Partners Group Global Real Estate Fund (AUD Unhedged) due to ongoing uncertainty and high market volatility. The sell spread will be levied on all redemption requests submitted after 15 October 2022, and will be re-assessed and adjusted as volatility normalises. Due to the levied sell spread, the values realized by redeeming shareholders will differ from the reported performance.

September NAV per share increased by 2.2%

In September, the NAV per share of the Partners Group Global Real Estate Fund (AUD) increased by 2.2% for the partially hedged share class. Respectively, the NAV for the unhedged share class increased by 6.2%.

In September, Partners Group partnered with a London-based investment firm to acquire UK Residential Platform (Richborough), an independent strategic land promotion platform providing landowners with town planning, design, technical, and legal expertise to obtain appropriate residential planning permission before selling the land in an open market process. Partners Group finds the investment attractive as the platform is one of the largest independent land promoters in the UK, with 51 sites promoted over the past six years, or an equivalent of 6'433 buildable units. The business plan will focus on streamlining and institutionalizing operational processes, such as CRM system implementation, as well as growing the business and expanding its footprint across the UK while executing on its contractually agreed pipeline of 127 sites that is expected to allow for the construction of 25'964 units.

Partners Group received final proceeds from the full realization of Project Cargo, a portfolio of 54 modern logistics parks located across China. The investment was realized in July 2022 and generated above-underwritten returns.

The valuation of French Mountain Residences (Lachat) increased reflecting the positive financial performance of the premium residences located in the most prestigious ski resorts of the French Alps. For the 8-month period ending 30 June 2022, Lachat reached a record level above-budget turnover as travel restrictions eased in France beginning mid-2021. Founded in 2004 in Annecy, Lachat comprises 35 4-star residences with a total of 2'395 self-catered apartments. The operator is currently gearing up for the next ski season and is focused on the renewal process of its expiring electricity contracts to secure 2023 operations.

Monthly report as of 30 September 2022

The Partners Group Global Real Estate Fund (AUD) is an Australian Unit Trust with the objective of achieving long-term capital appreciation by investing in a global portfolio of real estate investments diversified by geographies, financing stages and property types. The investment strategy is led by Partners Group's relative value investment approach to optimise risk-adjusted returns by systematically overweight those segments and investment types that offer attractive value at a given point in time.

The Fund allows investors to subscribe and redeem shares on a monthly basis, thus avoiding the long lock-up periods common in most private real estate funds. The Fund may hedge certain currency exposure to reduce the risk of foreign exchange movements. The Fund is a feeder fund that invests in Partners Group Global Real Estate FCP ("Master Fund").
