Monthly report as of 31 July 2023

The Partners Group Global Real Estate Fund (AUD) is an Australian Unit Trust with the objective of achieving long-term capital appreciation by investing in a global portfolio of real estate investments diversified by geographies, financing stages and property types. The investment strategy is led by Partners Group's relative value investment approach to optimise risk-adjusted returns by systematically overweight those segments and investment types that offer attractive value at a given point in time.

The Fund allows investors to subscribe and redeem shares on a monthly basis, thus avoiding the long lock-up periods common in most private real estate funds. The Fund may hedge certain currency exposure to reduce the risk of foreign exchange movements. The Fund is a feeder fund that invests in Partners Group Global Real Estate FCP ("Master Fund").
